

THE READING GROUP

Do you remember that magical moment?

Dear Friend,

Do you remember that magical moment when learning to read changed your life?

Was it the first time you could read a story by yourself and it transformed you to another time and place? Did you learn something so amazing it made your jaw drop? Maybe the story was so wonderful you lost yourself in it and hoped it would never end.

Now, imagine being a child who struggles to read.

You dread going to school. You don't want to be singled out so you try to hide the fact that you can't read. Every day you struggle to keep up. You feel humiliated and hopeless because your friends can read better than you. It seems the world is off limits and you just want to hide.

Every day, The Reading Group helps children and adults in our community overcome reading challenges such as dyslexia and other learning disorders that keep them from reading and learning.

But we need your help.

During this magical season of giving, please give the gift of reading. Your gift will help The Reading Group continue to provide individualized reading instruction that is designed for each student and is affordable for everyone in our community.

You can give a child confidence, knowledge, and joy! You can make a difference in a child's life – today and in their future – through the gift of reading.

Thank you for your support.

Happy Holidays!

Winnie Crowder, CFRE
Executive Director

P.S. Your gift will help our students learn to read so they can read to learn. Their future depends on it.
